

THE GLOBAL DISABILITY SUMMIT 2018: CHARTER FOR CHANGE

#DisabilitySummit #NowIsTheTime

We gather here in London and across the world to achieve a common aim: to ensure the rights, freedoms, dignity and inclusion for all persons with disabilities.

Important progress has been made in the decade since the adoption of the United Nations Convention on the Rights of Persons with Disabilities (CRPD). But we must do more. We must strive for real change through the Convention's implementation and the delivery of the Sustainable Development Goals for persons with disabilities. Now is the time.

So today we commit to:

1. Catalyse political will and leadership to turn our promises into change; in long-term plans that we invest in, implement and review.
2. Promote the leadership and diverse representation of all persons with disabilities to be front and centre of change; as leaders, partners and advocates. This includes the active involvement and close consultation of persons with disabilities of all ages.
3. Eliminate stigma and discrimination through legislation and policies that make a difference, promoting meaningful leadership, and consistently challenging

harmful attitudes and practices. All people deserve dignity and respect.

4. Progress and support actions that advance inclusive quality education for people with disabilities, with the necessary resources to put plans into practice: every child has the right to learn from birth.
5. Open up routes to economic empowerment and financial inclusion so that persons with disabilities can enjoy decent work and achieve financial independence. This will mean creating more and better jobs, providing social protection, ensuring the necessary skills training, making workplaces accessible and hiring people with disabilities.
6. Revolutionise the availability and affordability of appropriate assistive technology, including digital, which will enable persons with disabilities to fully participate and contribute to society.
7. Change practices to make all humanitarian action fully inclusive and accessible to persons with disabilities. We will mainstream inclusion across all Disaster Risk Reduction and humanitarian sectors, and implement our commitments in the Charter 'Inclusion of Persons with Disabilities in Humanitarian Action'.
8. 'Leave no one behind' and put the furthest behind first. We will champion the rights of the most under-represented and marginalised persons with disabilities, of all ages, affected by any form of multiple

discrimination, and notably women and girls with disabilities.

9. Gather and use better data and evidence to understand and address the scale, and nature, of challenges faced by persons with disabilities, using tested tools including the [Washington Group Disability Question Sets](#).
10. Hold ourselves and others to account for the promises we have made here today. We agree that our individual commitments will be reviewed, assessed and published on a regular basis, with the results published on-line.
